Your child's health is a matter of major importance to all of us.

Please keep your child home if:

- * he has a fever or has had one during the previous 24 hour period
- * He has a heavy nasal discharge
(yellow/green in color)
- * he has a constant cough
- * he has symptoms of a possible communicable disease (reddened eyes, sore throat, fever, abdominal pain)
- * He has loose bowels

Please notify the school at once if your child does have a communicable disease.
